

Notice to the Public

It is the intent of the Roseville Police Department to apply for a grant from the United States Department of Justice Byrne Memorial Justice Assistance Grant Program to purchase an Unmanned Aircraft System (UAS). The UAS system will allow for the flyover and filming of all crime and crash scenes allowing for a complete and comprehensive documentation of the site for court evidentiary purposes. This data is highly valuable in determining the causation of a crash as well as the location of evidence as it relates to the crime scene. This documentation will assist investigators in determining what charges if any should be sought.

This notice is to advise the citizens of Roseville of the grant application. Interested parties who wish to comment on the grant or its intended purpose may contact the City Managers Office at: 29777 Gratiot, Roseville MI or (586) 445-5410.
